NT-35-24

Power supply

Productnumber: 72212001
Dimensions: 110 x 77 x 55 mm

Mains supply unit for assembly on NS35 standard rail. Input voltage 85V to 264 V AC, output voltage 21.6 V -29 V DC. Output max. 15.2 W.

Technical Data

electrical characteristics

Protection class:	II
Rated current:	0.63 A
Input voltage AC max:	264 V
Input voltage AC min:	85 V
Output:	15.2 Watt

Dimensions

Width:	110 mm
Length:	77 mm
Height:	55 mm
Weight:	0.08 kg

mechanical properties

Type of accessory:	other

Sales Information

EAN:	4013902650477
ETIM Class:	EC002498
Custom tariff number:	85043180
Minimum order quantity:	1
